Honda's October 2003 Recall Notice to Owners

TEXT OF CUSTOMER LETTER

October 2003

IMPORTANT SAFETY RECALL NOTICE

Dear Gold Wing Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

What is the reason for this notice?

Honda Motor Co., Ltd. has decided that a defect relating to motor vehicle safety exists in certain 2002 and 2003 model year Gold Wings (GL1800/A). Certain frame welds do not meet manufacturing specifications. High loads created when riding on rough road surfaces or through potholes can cause the affected welds to crack. In the worst case, the welded area could break without warning, resulting in lower cross member separation and rear suspension collapse. This could result in a crash. However, no rear-wheel lockup, crashes or injuries have been reported.

What should you do?

Call any authorized Honda motorcycle dealer and make an appointment to have your frame repaired. The dealer will coordinate scheduling with you. The affected welds will be reinforced according to a factory-prepared welding manual, free of charge.

Who to contact if you experience problems.

If you are not satisfied with the service you receive from your Honda dealer, you may write to:

American Honda Motor Co., Inc.

Or call the toll-free Safety Hotline at (888) 327-4236.

What to do if you feel this notice is in error.
